The written "Global Connections Policy" states under section III B. 2.: The Global Connections Team will prayerfully decide which applicants will be funded out of the church's Global Connections Fund. (Though the Committee will seek to support short term global partners fairly, it is not obligated to support each short term global partner equally.)

This decision will be based upon:

- The nature and details of the service
- The reasons for the applicant's desire to participate in this ministry service
- The applicant's relationship to the church.
- The global connections agency to which the applicant has applied and whether this agency has a relationship with our church.
- The level of support necessary
- The applicant partaking in the service
- If there are more requests than funds available for short term ministry, preference will be given to those who have never participated in a short-term ministry trip.
